EVENTS & NEWS

Please read the following message from Mid Cheshire Foodbank: During the year to March 2016, Mid Cheshire Foodbank fed 3089 people. The trustees and members have been constantly amazed at the generous donations we receive. Our distribution centres feed more people year on year and we are now at the point of our stock level being lower than ever before. Would you be able to donate some of the items listed below? We would respectfully ask for all food to have a 3 month shelf life as we are legally unable to give out food which is out of date. Stock rotation is strictly monitored. If you require items to be collected please contact our office on 01606 590992 - the office is open 9am till 12.00 Monday, Tuesday and Thursday. Thank you in anticipation. [UHT long life milk and fruit juice, biscuits, tinned tomatoes, soup, fruit, meat & fish](#)

Please note there will be no Men Meet on 10th June

We are wanting to update our church directory. To help with this, could you please collect and complete one of the forms from the table in the foyer. We would also like a good quality photo of you or your family (iphone or similar standard) – please send this to either Fiona or Matt Guest so it can be included.

If anyone can offer a lift for Kirsty's cousin to and from North Staffs Hospital on the afternoon of Thursday 2nd June, please see Kirsty or Mark.

If anyone has a three-piece suite which they would be willing to donate to a CAP client, please speak to Paul Christian.
